**PROCEEDING MEMO**

**MATTER:** # 94 Motion to Dismiss Case filed by ch.13 trustee  
# 99 - Response filed by the Debtor

**APPEARANCES:**

Debtor: Daniel R. White  
Trustee: Owen Katz

[10:03]

**NOTES:**

Katz: We received \$500 on February 28, 2025. What we need to complete the plan is dependent on the fee application amounts. The debtor's counsel submitted a fee application of \$2,876.82. If we honor that, we will need \$3, 797 to complete the plan. If we cap the fees at \$2,000, then we need \$2,961 to complete.

White: The debtor believes she can pay the full amount at the end of May. If she cannot make the payments, we will consider taking the reduced fee. I have been trying to review her TFS account regarding her full payment. She recently went part time at work and started taking courses, so her finances may be in flux.

**OUTCOME:**

1. The *Trustee's Motion to Dismiss* [Dkt. No. 94] is **CONTINUED** to May 14, 2025 at 9 a.m.[Text order]
2. On or before April 11, 2025, the debtor shall file a status report confirming whether any additional plan payments were made to the trustee in March. The status report should include an attachment from the chapter 13 trustee's payment records.[Text order]

**DATED:** 3/12/2025
